## Program Management & Control classes available at Center

**National Engineer's Week Feb. 21-27**

The Employee and Organizational Development Office at Marshall will offer Program Management & Control classes during February and March. Classes will be limited to 30 people and registration is on a first-come first-served basis. No training request form is required. The courses and dates are:

- ★ Configuration Management, Feb. 23-24
- ★ Procurement Process, March 3-4
- ★ PM&C: Tools & Techniques, March 29-April 2

Classes will be held from 8 a.m.-4:30 p.m. in Bldg. 4200, room G-21. Employees may register via AdminSTAR or **contact** Stephanie Elliott at 4-7553 or Renee Higgins at 4-8864.

**Marshall Center's safety goal:  
Be No. 1 in safety within NASA!**

## Severe weather preparedness week begins Monday

As part of Severe Weather Preparedness Week beginning Monday, the Marshall Center will participate in a state, county and city practice tornado drill. The drill will be announced over National Oceanic and Atmospheric Administration (NOAA) weather radio. An emergency Warning System announcement at Marshall will be made when Marshall's Emergency Operations Center receives the NOAA announcement. Center employees will be asked to evacuate to designated Protective Areas.
